ABOUT US

Founded in the year 2013, "Gaba Care Pvt Ltd", has become a name to reckon with in the FMCG sector specializing in the Hygiene and Cosmetic Products segment. The company manufactures and supplies a wide array of wipes under two broad categories: Wet wipes and Dry tissues catering across all customer demographics.

At Gaba Care, we source superior raw materials from trusted vendors which promises quality products. With great attention to R&D and a team comprising of dedicated young professionals, we assure unparalleled products that exude our philosophy of delivering pure goodness and hygiene. The aesthetics, design and experience that the product imparts is fashioned for domestic as well as international consumers. We promise you won't find a product this great and a team that delivers with that efficiency.

OUR LOGO

Our logo represents our earnestness and dedication towards products that deliver superior hygiene above everything else. We firmly believe in the saying that "Hygiene is two-thirds of health."

The flower on Gaba Care "g" encapsulates the tender, refreshing and caring touch that all our products stand for. We envision making products that are infused with the goodness of nature and its splendor. The flower also symbolizes our company's vision to bloom into a responsible and mature FMCG player in the India subcontinent & International market.

OUR TEAM

At Gaba Care, everything is achieved through the collective effort of the team throughout the process. We believe that it pays to be a team than to be an individual. While each individual strives to achieve excellence, the larger focus is to develop a team that represents our ethos and values.

Our team comprises of young and energetic individuals who are self-driven and abide by our entrepreneurial culture. We boast of a culture that loves to have fun while getting the work done. Needless to say, we never hear clients complaining.

HYGIENE

GABACARE

OUR CLIENTS

Our clients range from direct end consumers as well as large and small businesses across the broad spectrum of industries like hotels, hospitals, airlines and other public places. Client satisfaction being our prime goal, our products are priced at competitive rates.

Uses

Restaurants/Hotels – Use them before and after the meals for wiping off the dirt and oil for a hygienic and wholesome food experience.

Hospitals – Use them in diagnosis labs or by doctors after every patient examination. They can also be used by nurses/doctors to sanitize hands after administering medicines to the patients.

Cinema Halls – Enjoy the popcorn without worrying about soiled hands. Use Gabacare wipes to clean your hands without heading to the restroom and missing the movie.

Airlines and Lounges – Give your passengers a refreshing welcome before they begin their journey with our custom made wipes.

Offices – Keep our wipes handy at your desk to get an instant clean, soft and glowing skin before heading for a meeting. Can also be kept at visitor desks.

Events – Use our wipes for various events like wedding parties, conferences and other outdoor events for fighting away the dirt and sweat .

Railways – Gabacare wipes can be used during train journeys for various cleaning purposes – before and after meals, face fresheners etc .

Salons – Use our refreshing wipes to clean the make up after the party for a soft, moisturized and pampered skin.

INFRASTRUCTURE

Factory

Based in Surat(Gujarat), Gaba Care Pvt Ltd has a centralized and well equipped tissue manufacturing facility spread over an area of 1,25,000 Sq Ft. The manufacturing unit is located in a pollution free area of Surat.

Production
